Dear Parent/Carer,

Welcome to the second edition of the year 11 newsletter. It was pleasing to see so many parents and carers at Parents' Evening last week and I am hopeful that you found the evening informative. Within this second edition of the #OneTermToMakeADifference newsletter you will find details of forthcoming exams as well as information about our half-term provision for year 11. ## STUDENT MENTORING & TARGET 25

In the last fortnight, all year 11 students met with members of the Senior Leadership Team to discuss their mock results and what they need to do in order to maximise their achievement.

Twenty-five students have been identified for the next round of assertive mentoring and parents will be receiving letters in the coming days to invite them into school for a 'Target-25' briefing.
